November 11, 2020

Dear Sir, Madam

We have been constantly monitoring the COVID-19 outbreak and scrupulously following all the directives issued by the St. Petersburg City and the Leningrad Region Authorities, as well as the World Health Organization (WHO).

After consulting with all our stakeholders, exhibitors, visitors, partners, and in accordance with clause 1.2 of the Decree of the Government of St. Petersburg No. 904 that restricts congress and exhibition events of more than 50 attendees, **we have decided to postpone PAP-FOR to November 2021.**

The well-being of our customers, partners and employees is our number one priority.

This is not a decision we have taken lightly. Our team has worked incredibly hard on this event for Russian business and industry specialists and, while it is disappointing to postpone, it's imperative that we prioritise the health and safety of everyone involved.

Our goal remains to provide the best customer value for everyone attending PAP-FOR and to serve the industry in the best conditions of security and serenity. With this in mind, **we will run the PAP-FOR Forum in the online format on November 24-27, 2020.**

We continue working on new tools and platforms, running digital activities for the industry to move forward and stay connected until the PAP-FOR 2021 doors open.

The PAP-FOR team is at the disposal of the customers and visitors for any questions they may have and we're here to support them.

We are grateful for all the support we have received from our PAP-FOR community and we look forward to seeing everyone next year.

Best regards,

Anna Dycheva-Smirnova

Managing Director
Reed Exhibitions Russia
